WITH MAJ TOMPKINS IN HUNT FOR VILLA

Capt. Harry Cootes (top) and Capt. Thomas F. Ryan.

These two young American officers are under the command of Major Tompkins, whose fight with Mexicans at Parral last week resulted in the death of two U. S. soldiers.

STILL WAR AMBASSADOR

LONDON, April 27.—The American embassy here has received no instructions from Washington concerning any preliminary steps for the turning over of Austrian, German and Turkish interests to other hands in case of the severance of relations with Germany.

INTERMOUNTAIN RATE HEARING IS ENDED

WASHINGTON, April 26.—The reopening inter-mountain rate case now before the interstate commerce commission for decision. Hearings begun Monday ended today with the testimony of half a dozen witnesses, who said they did not want any change in rates, and brief arguments by counsel.

Counsel for petitioners contended in their argument that they had shown the non-existence of water competition with the railroads in coast to coast traffic. From this basis they argued that there was no longer justification for continuing through rates to favored ports, granted when there was competition.

H. W. Prickett, of the traffic service bureau of Utah declared that it no longer was optional with the commission to continue the rates and that recent supreme court ruling had made it mandatory on the commission to suppress the alleged discrimination.

Mr. Wood, counsel for the S. P., declared the Southern Pacific had lost the coast to coast business to the steamship lines before the canal was opened and that the ocean carriers handled all the business in the first season after the canal was opened.

Alkali in Soap Bad For the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mulified coconut oil (which is pure and greaseless), and is better than the most expensive soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulified coconut oil at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.

at rates from 10 to 15 cents lower than the railroads. Contracts have been made, he said, with the presented rates as one of the basic elements upon the assumption that the law practically guaranteed their stability.

WOULD HAVE U. S. OWN BEEF PLANTS

Governor Stuart.

Governor Stuart of Virginia, who raises cattle when not engaged with executive duties, told a house subcommittee that stock raisers had lost money in the last year largely because of the lack of competition among beef packers. He suggested that the establishment of government owned slaughter houses and markets where the producer and consumer would meet, would go a long way toward solving the troubles of both.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription ointment—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of ointment—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength ointment as this is sold under guarantee of money back if it fails to remove freckles. (Advertisement)
